Victim/Survivor Rights

Bridges: Domestic & Sexual Violence Support (formerly Rape & Assault Support Services, Inc.) is a non-sectarian agency, and all services are offered regardless of race, gender, gender orientation, gender identity, gender expression, medical condition, HIV status, marital status, age, national origin, immigration status, religion, physical, mental or emotional ability, sexual orientation, political affiliation or language.

- All victims/survivors have the right to respectful treatment.
- All victims/survivors have the right to know and understand all rules of the organization by which they must abide.
- All victims/survivors have the right to make their own decisions within the rules and policies of the organization.
- All victims/survivors have the right to have complaints concerning programs and services heard. The first step is to take the complaint to the appropriate department manager. If no resolution is reached, the client has the right to address the complaint to the Executive Director. Staff can be reached at 603-889-0858.
- All victims/survivors have the right to make suggestions and provide input on all programs and services, to have the input heard, and to receive feedback on it.
- All victims/survivors have the right to have your individual information and/or records kept confidential according to NH RSA 173-C.
- All victims/survivors have the right to access their individual records.
- All victims/survivors over the age of 15 have privileged communication with domestic and sexual assault advocates working with our organization. All victims/survivors may request a copy of RSA 173-C: 1.outlining the confidentiality law.
